# Student Direct Stream

Canadian Immigration had launched the Student Direct Stream (SDS) program to streamline the visa process for Indian students aspiring to study at Universities and Colleges in Canada.

## SDS Program Requirements:

Students applying for a visa under SDS must meet the following eligibility criteria:

- Admission to a full-time program at a University, College, Institute or CEGEP which is a Designated Learning Institution.
- An IELTS score of 6 overall with a minimum band of 6 for each ability (Listening, Reading, Writing and Speaking) taken within the past two years.
- Purchase of a special Guaranteed Investment Certificate (GIC) of CAD\$ 10,000 to cover living expenses for the first year of stay in Canada.
- Proof of payment of the tuition fee for one (1) year.
- Upfront medical examination at least one week before submission of the visa application.
- All visa applications must be filed online.

# Guaranteed Investment Certificate

According to IRCC (Immigration, Refugees and Citizenship Canada) guidelines under the Student Direct Stream (SDS) students will require approximately CAD\$ 10,000 per year to cover living expenses. This requirement is fulfilled through the purchase of a GIC.

A GIC is an investment account that offers a guaranteed interest rate over a fixed term. Student's must leave the funds in the GIC for a specified period of time before they are allowed to withdraw the money. During that time, the money will earn a guaranteed interest rate.

The banks through which a GIC can be purchased are as below:

- **Nova Scotia Bank**
- **SBI Canada**
- **ICICI Canada**
- **CIBC (Canadian Imperial Bank of Commerce)**
- **HSBC**
- **Bank of Montreal**
- **RBC Royal Bank**
- **Simplii Financial,**
- **TD Canada Trust**

# Cost of Education in Canada

Visa Fees (Including Biometric Fees)	235	235
Total Expenses for Study in Canada	27935	32935
Less Earning through Part Time Jobs	(11500)	(11500)
Total Expenses Rounded Off	16435	21435

# Scholarships

- Scholarships in Canada are quite competitive as they are very limited in number as compared to scholarships offered by other countries like USA, UK or Australia.
- The eligibility for scholarships is judged on the basis of outstanding academic grades and exceptional English Proficiency scores. Scholarships are mostly offered by the universities without any separate application, based on the eligibility benchmarks but at some institutions the students need to apply specifically for the same.
- Scholarships are majorly offered at the entry level but for some scholarships the students are supposed to prove their excellence in academics in the subsequent years of education as well.

# Scholarships

Name of the Institution	Scholarship Amount
University of Waterloo	CAD 2,000
Queens University	CAD 1,500- 20,000
University of Victoria	CAD 1,000-10,000
Brock University	CAD 4,000-16,000
Lakehead University	CAD 6,000-40,000
Trent University	CAD 1,000-3,000
Dalhousie University	CAD 750-48,000
University of Guelph	CAD 5,500-8,500
University of Manitoba	CAD 1,000-3,000
University of Windsor	CAD 1,000-3,000

# Visa Fees and CAQ

- The Canadian study visa application fee is CAD 150 and CAD 85 is for Biometrics.
- Students are required to pay a total of CAD 235 if they are applying for a student visa for the first time.
- Québec Certificate of Acceptance (CAQ) - International students whose program in Québec lasts more than six months should be authorized to study by the Quebec Ministry.
- If any student is applying for any colleges in Quebec, it is necessary that they first apply for a CAQ and then for Visa.
- There is an online application process for CAQ and the turn around time to receive the same is 5 -7 weeks.
- Mentioned below is the link to apply for a CAQ  
<https://www.immigration-quebec.gouv.qc.ca/en/electronic-services/caq-electronic/index.html>
- Application fee for the same is CAD 120.

# Points to remember for successful Offers and Visas

- Do not apply for students who do not meet the IELTS criteria. Minimum 6.0 with no band less than 6.0 for UG and overall 6.5 with no band less than 6.0 for PG.
- Do not apply for students who have several failed courses, large gaps of 5 or more years in studies (regardless of their work experience) and inconsistency in program choice with past studies. Course choice must be relevant.
- Good academics of the students: We have seen higher rate of visa approvals for students having 60% and above throughout their academic qualifications.
- Also, we have noticed that if a student has low academics as well as a gap of 2-5 years after completion of last studies, the case is weak, and visa may be refused.

# Post Study Work Visa

- All international students who have graduated from a Canadian post-secondary institution are eligible for a Post Study Work Visa to gain valuable Canadian work experience.
- To be eligible for a Post Study Work Visa, international students
- Should have **studied full-time for at least eight months** preceding the completion of their program and have graduated from a Designated Learning Institution.
- Must have completed and **passed the program of study** and received written notification that they are eligible to obtain their degree, diploma, or certificate.
- Must apply for a post-study work permit **within 180 days** of confirmation by way of final mark sheets from their academic institution.

# Post Study Work Visa

- The Post Study Work Visa provides no restrictions on the type of employment and requirement of a job offer.
- If the program duration is **less than 8 months** - Students are **not eligible** for a Post Study Work Visa.
- If the program duration is **8 months or more but less than 2 years** –
- Post Study Work Visa will be issued for **the same length as the study program**. (For example, if student completed a 9-month program, a work permit may be issued for up to 9 months).
- If the program duration is **2 years or more** - Post Study Work Visa will be issued **for 3 years**.
- If a student has completed **more than one program**, they may be able to get a **PSW that combines the length of both the programs**. For this, each of the programs they have completed must be –
- Post Study Work Visa eligible and at least 8 months in length.

# Permanent Residency

## Express Entry

Express Entry is a system used by the Canadian Immigration to organize and process applications for skilled workers who wish to immigrate to Canada and acquire Canadian permanent residence status.

## PNP – Provincial Nominee Program

- Provincial Nomination is an important fast-track option for Canadian Permanent Residency.
- For e.g. if a student studies a course from any institution from Saskatchewan, then he can apply for PR after completion of the course under Provincial Nominee Program if the province is participating at that point of time.
- Ontario, Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Prince Edward Island, Saskatchewan and Yukon are the provinces which periodically participate in the Provincial Nominee Program (PNP).

# Rural and Northern Immigration Pilot (RNIP)

## About The Pilot

The Rural and Northern Immigration Pilot is a community-driven program. It's designed to spread the benefits of economic immigration to smaller communities by creating a path to permanent residence for skilled foreign workers who want to work and live in one of the participating communities

## Who can Apply:

To be eligible for the Rural and Northern Immigration Pilot (RNIP), students must

- Have qualifying work experience or have graduated from a publicly funded post-secondary institution in the recommending community
- Meet or exceed the language requirements
- Meet or exceed the educational requirements
- Prove that students have enough money to support their transition into the community
- Intend to live in the community
- Meet community-specific requirements
- Have a temporary resident status
